Reminder to All Staff

To: All Staff

Subject: **Reminder Concerning No-Cash Policy**

We wanted to remind all staff that our school has a strictly no cash policy. This means employees may not accept any kind of cash from parents, students, vendors or any other stakeholder.

It is vitally important to the public's trust in our organization that the public know that we have an accurate and reliable accounting system.

Signs will be posted throughout the building to advise the public of our no-cash policy. If someone tries to present you with cash, we recommend you explain to them the means of payments that we use but also indicate that the school policy prevents you from accepting cash. If cash arrives through Mobile Money (Tigo pesa, M-pesa, etc) or any other form of delivery, please either return it to the sender with the same sentiment expressed above.

Please be aware that violation of this policy and non-reporting of such information will subject an employee to disciplinary action, including potential termination from employment.

Thank you in advance for your assistance in implementing this policy and your efforts to promote public trust and confidence in our actions.

Note: All fees should be deposited to CRDB Bank through a specific control number for each student, as per updated payment instructions.

Silverleaf Management.
